## The Strategic Location for the Gulf Property Show

**Bahrain's** historical location as a financial gateway is underpinned by the Free Trade Agreement (FTA) with the USA and by over 48 international double taxation and investment protection agreements. The Financial and Legal Regulatory Framework in **Bahrain** makes it the ideal venue for the staging of the Gulf Property Show.

**Saudi Arabia**, the region's most important strategic market and a commercial and industrial powerhouse is just 25km away, providing investors, developers and property professionals with the opportunity to visit the show with ease and convenience.

## The Growing Appetite for Property Investment in the Gulf

The citizens of the Northern Gulf will spend approximately US\$1 trillion on real estate projects in the region and globally over the coming decade. The projects are diverse in nature covering residential, retail, commercial and hospitality property developments.

The growing property investor demands of **Qatar and Kuwait** and the lower Gulf countries, **UAE and Oman**, are important in terms of investment and flagship developments providing tremendous ROI opportunities.

Collectively the **GCC** offers an almost limitless appetite for international real estate investment.
